SUSAN BENNETT AND ASSOCIATES INSURANCE INFORMATION
PLEASE READ AND SIGN. IF REQUESTED, A COPY WILL BE PROVIDED TO YOU.

HMO

- Referrals: If you have an HMO type policy, you should determine if your plan requires a referral from your referring physician. If a referral is required, and you fail to obtain one, you will be personally responsible for our charges.
- HMO policies often place a limit on the number of physical therapy treatments they will cover. Please know the limits of your coverage. You will be held responsible for fees incurred beyond the limits of your coverage. It is important to let us know if you have had any other previous physical therapy treatments at any other clinics this year so that we may calculate your insurance coverage accurately.
- Copays: If your HMO policy requires that you pay a copay, it is due at the time of treatment.

MEDICARE

- Home Health Care: Medicare will not cover home health care services AND physical therapy treatments concurrently. If you choose to continue home health care services and physical therapy treatment, you will be responsible for our charges.
- Deductible and Coinsurance: The 2020 deductible for Medicare Part B is \$198.00. After your deductible is met, you typically pay 20% of the Medicare approved amount for outpatient therapy. After Medicare processes your claims, you will be billed for the remaining 20%.
- You are required to have a script for physical therapy from a physician to claim coverage from Medicare.

MEDICAID

We are not approved providers for Medicaid.

BCBS-THERAMATRIX/ BCBS - GM RETIRE

We are not participating providers with these insurances. They will not pay for treatment at our offices.

AETNA & UNITED HEALTHCARE AND OTHERS

Although we will see patients with all types of insurances, we may not be participating providers with your insurance. In some cases, we are considered "Out-of-Network" providers. You must check with your insurance carrier to determine how much of our charges, if any, will be covered. We may not accept your insurance benefits as payment in full, so a 20% copay must be paid at the time of treatment. This will be applied against any balance you may owe.

NO-FAULT & WORKERS COMPENSATION

- NO-FAULT: For patients claiming coverage under no-fault insurance, we will bill your no-fault carrier. However, if they do not pay, you will be liable for our charges.
- WORKER'S COMPENSATION: Patients claiming through worker's compensation insurance must provide all necessary information to our office so that we may submit claims to your carrier. We will bill worker's compensation as required by law. However, the Worker's Compensation Board may rule that you may not collect worker's compensation, in which case you will be liable for our charges.
- OTHER TREATMENTS: Please note that most no-fault and worker's compensation carriers will not cover two treatments on one day. For example, if you are seeing a chiropractor, your carrier may not pay for a treatment if it took place on the same day as your physical therapy treatment.
- HEALTH INSURANCE: If you have health insurance, we require that you provide this information to us at the time of your first treatment, so that we may acquire authorizations and submit claims if necessary.

For cancellations please call:

(716) 803-8220

(A message is satisfactory for compliance)

Thank you for making **Susan Bennett, PT and Associates** your choice for physical therapy services. Our therapists are dedicated to providing comprehensive care to help you meet your rehabilitation and wellness goals. Failing to cancel your appointment well in advance or not showing up for an appointment hinders our ability to provide the best possible care for all of our patients. Out of consideration for your care, our patients and our staff, we have instituted a Cancellation/Missed Appointment Policy.

Please review the guidelines we have in place to ensure that you get the most out of your experience with our practice.

- Please give 24-hour notice in the event of a cancellation. Giving this notice will allow us to provide that time slot to another patient in need. Patients who cancel in less than 24 hours of their scheduled appointment will be subjected to a \$25.00 fee.
- Patients who do not give 24-hour notice AND do not show up to their appointment ["No-show"] will also be subject to a \$25.00 fee.
- Cancellation/No-show charges are not covered by insurance and will be your responsibility to pay.
- For individuals covered under Worker's Compensation or No-Fault insurance, we are obligated to inform your physician and case manager of any missed treatment sessions.
- Multiple (more than two) No-shows for physical therapy appointments will result in discharge from physical therapy due to non-compliance with your treatment plan. This will be documented in your patient record accordingly.

This policy is in place out of respect for our patients and therapists. Thank you in advance for your consideration and cooperation.

BY SIGNING BELOW, YOU ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND THE CANCELLATION POLICY FOR SUSAN BENNETT, PT AND ASSOCIATES.
